LEPC-Meeting Notes

7/19/21 11:00

Roll Call: Present-R. Copley, B. Czpansky, G. Caspers, R. Fredrickson, K. Benycheck, K. Davis, J. Quillen, S. Vanden Broeder, A. Lange, S. Thoman, A. Ash

ZOOM-A. Elsassser, K. Coleman, T. Nosker, J. Hunter, B. Johanson, A. Charbonneau, C. Wood

Minutes Approved: Motion made by JQ, 2nd by SV

J. Quillen calls meeting to order and started discussion with LEOP being due 8/1 for the formal review. Still working on the missing information needed to turn in.

KDEM EOP: J. Quillen went over 1st & 2nd priority routes for clearing streets in each town. Suggestions were made by group.

J. Quillen went over the KS Planner maps looking at main roadways and debris sites for each town. Moving onto Pull sites. Group discussed different sites and suggestions were made for James to check into.

If Cloud cannot find a pull site that meets the qualifications there is a KDEM form "Letter of attestation" that may be turned in.

James moved onto Shelters, with a discussion and suggestions made by the group. James mentions the schools do not have generators. City hall needs a generator as well.

James moves onto staging areas, distribution points, refueling sites, and Places needing "continuous power supply".

James has sent all fire department's a KDEM Capability Synopsis. To find out what they have for equipment.

Hazmat team will be from Salina.

Communication equipment-Radios need to know what everybody has. Communication team is meeting tomorrow 7/20/21 at 5:30 PM,

James hasn't heard back from the school districts yet regarding the Active shooter exercise, so this will not be 8/3 or 8/4 as planned. There is a Run Fight Hide video series to use. Once James speaks to the schools it will be set up- probably late September.

Next meeting 8/16/21 11:00
